OUR VISION

We achieve our quality through a rigorous selection of farms and partner suppliers who share our vision of affordable quality, as well as our insistence on operating a short supply chain; a dedicated and ultra-efficient supply chain system and a brand new, state-of-the-art storage facility that underscores our commitment to fast, fresh delivery.

At The Big Farm, we deliver a whole world of quality—no matter who, or where you are nationwide.

CORE VALUES

We believe that integrity, trustworthiness and honesty are integral to who we are as a company, and so, we insist that at every stage of what we do. We insist on 'Fair Trade' principles and ethical business practices that support even the smallest grower.

We also stipulate that the choice of produce we accept, and its delivery to the supermarket shelf and your customers' tables, are all done to the highest ethical and quality standards.

It is our passion for getting things right and our refusal to compromise on quality that have established our reputation for nearly two decades.
